Women of the New Testament (Lifeguide Bible Studies) Phyllis J. Le Peau

Lydia shows us how to influence the people around us. Elizabeth's life challenges us to care for others. Women like Herodias and Sapphira warn us against turning away from God toward bitterness and dishonesty. As Phyllis J. Le Peau introduces twelve significant women of the New Testament, she invites you to enter into their lives and learn from them what it means to be a disciple of Jesus. This revised LifeGuide Bible Study features additional questions for starting group discussions and for meeting God in personal reflection, together with expanded leader's notes and a "Now or Later" section in each study.
