13 Sections suggest a variety of ways to tell your ancestor stories; each section has a Planning Worksheet to assist you in doing it most effectively. The content of our telling of ancestor stories includes your life as well as the lives of your two parents, four grandparents, eight great-grandparents, sixteen great-great grandparents, etc., and their sibling, aunts, uncles and cousins. Ancestor stories include the social context in which these folks lived, their clothes, their farms or ranches, their religion (or not), their occupations, their loves and antagonisms, their education (or not), their friends and neighbors, and the mundane details of their daily lives. Preservation and interpretation of your ancestor stories will occur most effectively if each of us use multiple approaches to telling our ancestor stories to our families and interested others. This is the purpose of this book.
