Simone is a woman on a mission: Stop being boring, and fall in love. That's easier said than done with no prospects on the table... or under the table... or near the table. Her luck changes when fellow neighborhood business owner Roman Taylor walks through the door of her flower shop. Roman is single, successful, and sexy — everything Simone is looking for to embark on a whirlwind summer romance with the potential to spark an everlasting love. But things are never as "perfect" as they seem, and Simone — and Roman — have to decide if they're willing to risk their hearts when things get a little messy in their pursuit of a crazy little thing called love.
