“Her first big spanking would come some other time, in private. Just as her husband would make love to her for the first time, so would he exert his authority by busting her virgin bottom the way it ought to be busted. But, tradition dictated she receive a few swats before leaving the reception. That’s how she found herself on that stage. The guests were cheering; dozens of her closest friends and relatives, all applauding that Ava was starting her journey as a submissive wife. She was crossing a threshold. It was a rite of passage.

She was a little embarrassed that her dress had been lifted up to expose her pantied bottom. The pearl colored bridal panties she wore were on display for all to see, which was a bit humiliating. Even more humiliating was the fact that her husband of one hour was tapping her quivering bum with a paddle. He was taking his time, posing for pictures, and letting the crowd eat it up. As was tradition, the paddle had been decorated the night before by the bride and her party. Then, that morning, the maid of honor had presented it to the groom. Her bridesmaids were holding her dress up, as was customary. Tap...tap...tap...”

Things are a bit different in the town of Submission Creek. Domestic discipline isn’t only tolerated, it’s expected! From the customary first spanking at the wedding reception, to complete and total submission, the wives of this community must give absolute submission. Ava is a new bride who finds herself under a strict husband. Before they even leave their reception, Will has her dressed in a little dress with a big, thick disposable diaper. And that’s just the beginning...

At about 4,500 words, *Becoming His Baby* is an adults only story that features spanking, age play, and steamy action.
