Healing the Father Wound Kathy Rodriguez

Just as it takes a master artist to restore a vintage painting, restoring a missing or abusive father's relationship with his children takes the ultimate Creator. God desires to be the one Father every child needs with or without the cooperation of the earthly one. Missing, abusive, or emotionally absent fathers set up a chain reaction of impact from one generation to another. Coming to grips with that impact and allowing Father God to heal from the inside out affects intimacy for subsequent generations.
