When God Seems Absent: (Spiritual Desertions in the Christian Life and the Experience of Suffering) (The Mystery of Suffering Book 4) Raymond Creed

Divided into helpful sections and with a useful summary at the end, this work explores those terrible moments of spiritual darkness when God appears to be completely absent from one's life. It takes readers into the experience of suffering and conveys a sense of what it feels like when everything has gone wrong and Gods seems unable (or unwilling) to keep the promises he made in scripture. Some of this work contains material written in 1984 when the author was near to committing suicide.
