Crochet Motifs can be used for a variety of projects including tablecloths, place mats, doilies, bedspreads and more. Motifs are crocheted separately and then joined together to complete a pattern. Motifs are crocheted in cotton thread and sometimes in a variety of colors, although the typical color is white. This collection of motifs provide a variety of sizes including a square, clover, round and even a pattern for a place mat and a tablecloth. The patterns maybe vintage but they never go out of style.
