The Best Hacks and Tips For Cleaning and Organizing Your Home!

Hacks are wonderful shortcuts and clever tricks to make things much easier in your life. These household hacks are innovative solutions to many of the problems you may face on a regular basis at home. Some will appear completely logical to you, while others will seem utterly counter-intuitive. However, they all are marvelously effective!

This book covers all kinds of “hacks” to make your home a better place to hang out. You won’t need a chemistry lab to make the non-toxic cleaning solutions that are described in detail; ordinary kitchen ingredients will do. The cleaning solutions and household management tips are designed to help you clean and manage your home most efficiently, all the while saving money, avoiding allergic triggers, and minimizing your damage to the environment.

Included are chapters that target key areas of the home. In the opening chapter on the kitchen, you will gain key tips for fighting grease, cleaning dishes, and killing germs, for starters. Germs are also the focus in the chapter on the bathroom cleaning hacks, along with tips for non-fogging mirrors, toilet cleaners that rock, and how a commonly used item from the laundry room can make your glass shower doors sparkle! You will be treated to key tips – from the author of a deeply practical book on sleep – for making your bedroom an oasis of calm and restorative rest. Throughout the book are hacks for simplifying your life, maximizing your money, building a safe environment for children, and creating an inviting ambience for both yourself and your guests.

Don’t settle for toxic store-bought cleaning products, unorganized methods of storage, or spending all kinds of money on things you don't really need. Instead, learn ways to clean your home effectively and efficiently, discover clever storage and organization tricks and save money while living better!
