If you're dating or married to a widower, you've encountered relationship issues that other couples just don't have to deal with. Whether it's the comments on his late wife's Facebook page or the tattoo commemorating the love of his life, there are some situations that are unique to widower relationships.

That's where *Life with a Widower* comes in. Drawing on over a decade of experience helping women in relationships with widowers, Abel Keogh tackles the most common, day-to-day widower relationship challenges so you can gracefully navigate and overcome them. A few of the topics include:

- How to keep the late wife out of the bedroom
- Tips and tricks to improve communication with your widower
- How to forgive a widower who's hurt you and decide whether you should give him a second chance

The book also includes over a dozen stories from women who have experienced similar challenges and tells how they overcame seemingly impossible situations.

Whether you're married to a widower, dating one, or in a long-term relationship, *Life with a Widower* will help you think through these challenges to develop a successful, fulfilling relationship.
