Alison Bechdel

The Essential Dykes to Watch Out For Alison Bechdel

From the author of *Fun Home* -- the lives, loves, and politics of cult fav characters Mo, Lois, Sydney, Sparrow, Ginger, Stuart, Clarice, and others

For twenty-five years Bechdel's path-breaking *Dykes to Watch Out For* strip has been collected in award-winning volumes (with a quarter of a million copies in print), syndicated in fifty alternative newspapers, and translated into many languages. Now, at last, *The Essential Dykes to Watch Out For* gathers a "rich, funny, deep and impossible to put down" (*Publishers Weekly*) selection from all eleven *Dykes* volumes. Here too are sixty of the newest strips, never before published in book form.

Settle in to this wittily illustrated soap opera (Bechdel calls it "half op-ed column and half endless serialized Victorian novel") of the lives, loves, and politics of a cast of characters, most of them lesbian, living in a midsize American city that may or may not be Minneapolis.

Her brilliantly imagined countercultural band of friends -- academics, social workers, bookstore clerks -- fall in and out of love, negotiate friendships, raise children, switch careers, and cope with aging parents.

Bechdel fuses high and low culture -- from foreign policy to domestic routine, hot sex to postmodern theory -- in a serial graphic narrative "suitable for humanists of all persuasions."
