## **The Hope List: The List Trilogy (Volume 3)** Chrissy Anderson

When she was just sixteen, Chrissy Anderson made a life list... ..It's been long forgotten and replaced by one filled with hope. But with all of Chrissy's lies, a lover she's horribly betrayed, and an ex-husband with secrets of his own; it might be too late to rely on her new list for happiness. In fact, it might be too late for Chrissy to ever have the truly, madly, deeply love she has always craved. Follow Chrissy as she hits rock bottom, dusts herself off, and fights harder than ever to finally have her wedding cake and eat it too. In book THREE of The List Trilogy, Chrissy Anderson is confronted with her worst fears; a fatherless child, the pointless "death" of another friend, and a bump in the road at her beloved business that could destroy all of her hard work. Unlike Chrissy's challenges in the past, there's no longer a choice between love and obligation. It's too late for that. In The Hope List, the only thing that can put Chrissy on the right path is honesty. Everyone makes mistakes, but all will pause as they follow along on Chrissy Anderson's new journey to ask, "Is she worthy of forgiveness?" The Hope List picks up where book TWO of the trilogy, The Unexpected List, left us hanging on the edge of our seats. The long-awaited conclusion of Anderson's romantic saga finally reveals the outcome of a married woman's chance encounter with her soul mate that took place many years ago in book ONE, The Life List.
