The Player on the Other Side (Ellery Queen Mysteries) Ellery Queen

[Read by Mark Peckham]

Ellery Queen's latest foe brings a civilized touch to murder.

A five-sided card with the letter "J" stamped on it appeared in Robert York's mail, and a day later he was dead, crushed by a boulder. It was no accident. Someone knew York would be under that rock wall at precisely 7:30. Then another card showed up for Emily York, stamped with the letter "H," and Ellery Queen knew he was up against a brilliant killer who made a game of death by warning his victims. The only clue to the murderer's identity was the signature "Y," and Ellery had to find him and stop his remorseless vendetta before "Y" won his mad game.
