ROMANCE: Older Man Younger Woman First Time Romance with Her Strict Math Teacher (Taboo Naughty Older Woman Younger Man First Time Romance) Shena Womack

Eighteen-year-old Alyssa Reed is fresh out of high school and new on the college campus. She may be a little shy and naive, but she's eager to learn and grow as a person-and, she's ready to give it her all, both in and out of the classroom.

When a handsome, brash math teacher walks into her life, Alyssa's jaw drops and her life becomes significantly different, and a lot more complicated. She finds herself frequently fantasizing about the older man, and, eventually, she suffers problems in her coursework. When Alyssa gets a big fat "D" on her homework, she goes to Mr. Richards for help and answers-and, in the end, they both get a lot more than that.

Join Alyssa as she overcomes her sheltered background, learns about the real world, and experiences her first sexual encounter. The math is simple: Alyssa + Mr. Richards = uncontrollable passion and sensuality, and a story you won't soon forget. This erotic, sometimes emotional book will definitely get your blood pumping, and is sure to appeal to readers interested in the Older Man/Younger Woman niche, as well as to anyone who's ever had a fantasy or experience involving an innocent student and strict teacher.
