School Programs in Speech-Language Pathology: Organization and Service Delivery (4th Edition) Jean L. Blosser, Elizabeth A. Neidecker

This text provides a comprehensive overview of the best practices for organization and management of school-based speech-language pathology programs. Unlike other books that focus on implementing specific therapy approaches for various disabilities, this book provides a wealth of information, recommendations, and concrete examples of how to increase the value, visibility, and relevance of the speech-language pathology program within the context of today's changing school environment.
