Reny Smith refuses to allow her amnesia to ruin her life. She's created a new identity and is determined to become a successful FBI agent. She will do anything to protect him, including writing heinous lies about a group of puma shifters she doesn't even believe exist.

Books 9&10 LIAN The Hunter: Lian isn't a happy puma. He's a lethal Hunter who should be out fighting the enemy, not babysitting a human scholar. Still, he'll do whatever necessary to rid the world of the evil goddess, Shakpi. The Scholar: Dr. Sage Parker has always known she's different. Not only because she's a genius with languages, but because she has a weird ability to see auras around people. Then Lian charges into her life, dragging her out of the safety of her home and she must translate the ancient Pantera scrolls before Shakpi destroys the male she loves.

ROCH Brilliant Diplomat Roch is devoted to his work. The sexy, blond male wants nothing more than to keep his life just as it is. But when he falls ill, he's forced to find help in the human world. Attorney Lydia Page has not only been fired from her job for being pregnant, but the clinic where she was inseminated wants her to end the pregnancy because she's carrying an 'animal.' She loves her unborn child, and soon realizes that the only way to keep herself and her baby safe is to accept the help of a mysterious and very handsome puma shifter.

Books 11&12 HAKAN Hakan never apologizes for being a lethal, barely civilized Hunter, but he understands that he has to be careful when it comes to his future mate, Payton. When he discovers she's been captured, however, he's done waiting. Payton understands that there's nothing more important than discovering why their newest enemies are targeting the Pantera. Does she listen to her pride, or give in to the urgings of her fragile heart?

SÉVERIN Séverin has lived the last ten years of his life in his puma form. He is feral, predatory and angry at the human world. When he comes upon a human female running scared through his Wildlands domain, he wants nothing more than to get her back to the border. But as she finds shelter with him in his rustic treehouse, the male inside him starts to emerge, threatening his still-caged heart. Running from her abusive ex, Taylor is desperate for a place to hide. Luckily, there is one Pantera who might want the beautiful teacher to stay. Can they both listen to their hearts and allow the first real love of their lives in?
