Gangbusters: How a Street Tough, Elite Homicide Unit Took Down New York's Most Dangerous Gang Michael Stone

An elite homicide investigation unit takes on one of the most savage and destructive gangs in New York City history in this gritty true-crime narrative.

The investigation into the late-night murder of a college student on the West Side Highway leads to the Wild Cowboys, a group of young men who for years terrorized Upper Manhattan and the Bronx while running a \$30,000-a-day drug business. What follows is a tale of dogged pursuit that offers a fascinating inside look at the workings of a complex police investigation, and a satisfying account of how a city took back its streets.
