Books 4-6!!!

Book 4: In Charlotte's fourth semester at Public everything is about to change. Princess Lanca's father, King Daemon, has been murdered, and Lanca will ascend to the vampire throne. But danger lurks around every dark corner and no one knows whom to trust. Can Charlotte and her friends come together to protect the princess against darkness, or will they be too late?

Book 5: In Charlotte's fourth semester she is torn between finding out what happened to her mother, protecting the artifacts on the Wheel that could destroy all the paranormals, and following her heart. To make matters worse, there are new threats and a new President of Public. Luckily the threats aren't directed toward Charlotte, at least not entirely, and Charlotte still has her loyal friends to keep her company and help her along the way.

Book 6: Charlotte returns to Public for her junior year. She's intent on fighting the rising power of the Nocturns, but many paranormals are happy to bury their heads in the sand, or worse, side with darkness. She can rely on the loyalty of her friends, but that won't be enough to stop the forces of evil. Will Charlotte stand alone, or will the paranormals rise to help her?
