Dion Reed could no longer ask for more... He has everything a man could wish for: immortality, wealth, and of course, pretty ladies. But none of them satisfies his thirst to feel human again...

It's not until Veronica Derham, a black peasant from the tribe of James Derham, comes to the scene that Dion's world is rattled. But Veronica has so much to worry about than her love life. Her younger brother, Ben, is in peril... Will she still allow herself to fall in love with the man of her dreams? Or would this fantasy forever remain in her utopia?

Romantic, giddy, and full of chills, *Crimson & Gold* explores the beauty of unconditional love and conveys the meaning of life. Awash in Historical Magic, *Crimson & Gold* captures the charm of 18th century romance.
