Their stories are fascinating, inspiring, often tragic and at times humorous. Experience the pain and sadness of women who survived the loss of children, illness and scandal, under the watchful eye of an insatiable public. Encounter the triumph, glamor and majesty that come with winning the White House. Learn the interesting and historical events that occurred during each woman's life, including the literature, technology and pop culture of her day. You will be introduced to concrete life lessons, based on the personalities, morals, and strengths of these remarkable women, through the author's eyes including: *•* Happiness or misery depends on our dispositions, not our circumstances. *•* Prevent future regrets, by making better choices in the present. *•* Knowledge is empowering and confidence building, while reading is a key in opening that door. *•* Regardless of one's humble beginnings, the way to succeed in life is through education and dedicated work. *•* True beauty resonates from within.
