For spooky fun the year round, youngsters can create their own haunted house complete with ghosts, witches, scowling pumpkins, and other scary (but amusing) characters. The eerie three-story house, shown in a laminated backdrop on the inside covers, reveals broken windows, drooping shutters, and a front door ominously ajar. To populate the place, select any of the 36 reusable stickers depicting spiders, bats, black cats, a vampire, tombstone, skeleton, mummy, and other fiendish figures.
