Michele Leonardi Darby BSDH MS

- Easy-to-use outline format makes it an essential study aid.
- Questions based on case studies prepare readers for the case-based questions found on the national board exam.
- Introductory paragraphs at the beginning of chapters address the relevance of each chapter's subject to professional practice and key topics to focus on when studying.
- Practice test that is structured like the National Board Dental Hygiene Examination simulates actual experience of taking boards.
- Sources for chapters listed at end of every chapter provide resources that will reflect current theory, practice standards, and research findings.
- New chapter on General Anatomy gives an overview of the body's structure and function for a better understanding of how problems in one body system can affect the rest of the body.
- Added chapter on General Pathology describes disease development and includes a discussion on the process of inflammation and the genetic basis of disease.
- Full-color design shows greater detail in photos and illustrations for more comprehensive learning.
- Detailed information on legal/ethical/safety issues incorporated throughout shows how these issues can fit into their everyday practice, rather than thinking of them as separate elements of hygiene practice.
- Listings of websites within chapters offer current information on important developments in dental hygiene topics.
- New chapter review questions at the end of most chapters.
