Fighter Romance

30 Hot and Yummy Bonus Stories included in this book!

Between caring for her younger siblings and working a second job to keep the family afloat, Jasmine has not only put her dreams on the back burner, she doesn't even know what they are anymore. She can't remember when she last went out with her friends, and it's been ages since she even noticed a man. When she hears that her younger brother, Michael, has gotten himself involved in some brutal boxing league, she storms into the gym without a thought for what she's going to find there—and is much too pissed off to spare more than a moment's thought for Tyler, Michael's MMA instructor.

But Tyler can't take his eyes off her. A couple of years ago, he used to be good at MMA. Really good. Like the boys he now trains, he knew just what it meant to want to fight his way out of where he lived. But with success, he got jaded. He took this job for no other reason than that it was something different, something new—and now he thinks he might just have come to the perfect place. Because something was missing in his life all along, and he's sure that 'something' is Jasmine.

He just has to convince her.
