Don't play with fire, you're liable to get burnt.

That was the conventional wisdom. It was the warning they'd all grown up with, but for some reason Lana never really took it to heart. Her whole life consisted of taking one risk after another. Playing with fire. She relished tempting fate at every turn.

Deny me naught.

Donovan Valentine was used to getting what he wanted in life. Heir to a fortune greater than that of some nations, he knew full well just how far his power extended and he was determined to use it.

From the moment he set eyes on her, Lana captivated him. He was determined to possess her. Mind, body, and soul.

A lord would never settle for anything less.

This sexy story contains steamy scenes for mature audiences.
