Part I, **THE STAR CHILD**, describes Christine teaching a little girl to pray each day. Together, they learn that talking to God increases self confidence. Five-year-old Hannah reminds Christine of her great, great, great, great, great grandmother, Hannah Armant, born on March 5, 1765. On that day in 2008, Christine invites friends for a potluck dinner and presentation to the first gathering of the Christine Community. The group discovers the significance of identifying a spiritual ideal and sets a focus that unifies body, mind, and spirit. The next meeting, they share what they're doing to fulfill their life purpose.

Part II, **HEART AND SOUL**, Christine teaches a Six-Discipline Model of the mind at a gathering of the Christine Community. Friends take the Brain Dominance Quiz for self-discovery, to understand how to better communicate with others, and to gain insight into career paths. The next meeting, Christine introduces a theory of everything that begins with nothing and recycles an underlying blueprint of nature. At the Lotus Heart Wellness Center, Christine speaks about the wobble of the Earth—a 26,000 year cycle. She reviews the previous wave of 5,200 years and forecasts the next wave that begins with a galactic alignment. Christine presents at the Mary Horgan Center for Spiritual Development, reviewing enigmatic messages given by visionaries and prophets of the Old and New Testament in the Bible. The group shares what they will be doing at the end of days. Christine offers a perspective of the past and hope for the future.

Part III, **A SONG OF PEACE**, contains three new methods to facilitate peace in our world. Peace Porpoise is the Peace Process designed for children with the purpose of bringing the world peace and love. In the following chapter, Top Ten Eternal Truths express Christine's understanding of God. In the final chapter, her inspired poem titled Grandma Ode is interpreted by friends and members of the Christine Community.
