Peace was never meant for them.

With everyone thinking they're dead, Remy and Star finally have the chance to start over. But after all they've been through, a clean slate in an ordinary world may not be enough.

With the news that his brothers and hometown are at stake, Remy must decide between his family, and the woman he loves.

But protecting them means getting help from the only person he trusts: Star. Can he really bring her back into the very lifestyle he sacrificed everything to save her from?
