With the WebTutor™ text-specific, preformatted content and total flexibility, instructors can easily create and manage their own custom course website. Instructors can provide virtual office hours, post syllabi, set up threaded discussions, track student progress with the quizzing material, and much more. Student resources include access to an interactive eBook; "In the Studio" video footage of demonstrations of studio art techniques (filmed in college art classrooms to allow students to see art and design concepts applied in a familiar setting), as well as interviews discussing the art-making process; image flashcards that are linked to interactive content so students can review related material and test themselves; interactive "Foundations" tutorials that demonstrate art concepts and ideas; chapter quizzes; and independent study projects.
