He encounters skeletons that really don't want Steven there. It isn't until he meets another person living on the island, Emily, that he begins to understand. After they discover a lighthouse with a hidden journal, they learn that the skeletons are controlled by a dangerous idol. They realize that in order to escape the island they have to get rid of the idol.

What is the mystery behind the idol that causes the undead to roam the island? Will Steven and Emily be rescued from the Island of Bones?

When Steve and Emily are rescued by a merchant ship from the Island of Bones, they believe all their problems are over. They are brought to the wonderful Emerald City of Jericho. They're shown the wonderful zoo, the main attraction of the city. But when they've been given a drink laced with a substance that made them sleep, the pair wakes up in a cage of their own. The owner of the zoo announces they've become the newest attraction at the zoo.

What secrets do Emerald City has? What evil plans does the owner of the zoo has for Steven and Emily? Can Steven and Emily be able to escape the zoo and rescue the other animals?
