City of Gold

Len Deighton

City of Gold Len Deighton

January 1942. Rommel's seemingly invincible Afrika Korps is at the gates of Egypt – perhaps soon to threaten Cairo itself.

Rommel has a spy in the city – a source so well-informed that the German commander knows in advance every movement of the allied forces.

Amongst the teeming streets and bazaars, the British, led by Major Albert Cutler, must find him. But Cairo is a city of fool's gold, where nothing and nobody, not even Cutler, can be taken at face value...

This new reissue includes a foreword from the cover designer, Oscar-winning filmmaker Arnold Schwartzman, and a brand new introduction by Len Deighton, which offers a fascinating insight into the writing of the story.

From reader reviews:

Cornelius Callaghan:

The book City of Gold can give more knowledge and information about everything you want. So just why must we leave the great thing like a book City of Gold? Wide variety you have a different opinion about guide. But one aim that book can give many info for us. It is absolutely proper. Right now, try to closer together with your book. Knowledge or information that you take for that, you are able to give for each other; you could share all of these. Book City of Gold has simple shape but the truth is know: it has great and massive function for you. You can look the enormous world by available and read a guide. So it is very wonderful.

Timothy King:

People live in this new morning of lifestyle always aim to and must have the spare time or they will get large amount of stress from both everyday life and work. So , if we ask do people have time, we will say absolutely yes. People is human not a robot. Then we consult again, what kind of activity do you possess when the spare time coming to you of course your answer can unlimited right. Then do you try this one, reading guides. It can be your alternative in spending your spare time, the actual book you have read is definitely City of Gold.

Edward Salazar:

Many people spending their time period by playing outside together with friends, fun activity together with family or just watching TV the entire day. You can have new activity to shell out your whole day by looking at a book. Ugh, do you consider reading a book can definitely hard because you have to bring the book everywhere? It all right you can have the e-book, taking everywhere you want in your Smart phone. Like City of Gold which is finding the e-book version. So , try out this book? Let's view.

Wilma Tovar:

A lot of people said that they feel fed up when they reading a publication. They are directly felt that when they get a half portions of the book. You can choose typically the book City of Gold to make your own reading is interesting. Your own skill of reading expertise is developing when you just like reading. Try to choose easy book to make you enjoy you just read it and mingle the sensation about book and looking at especially. It is to be very first opinion for you to like to start a book and examine it. Beside that the publication City of Gold can to be your friend when you're truly feel alone and confuse in what must you're doing of these time.
