GENRE: Children's Adventure

(An Unofficial Minecraft Book for Kids Ages 9 - 12)

What to do when you don't know how to be a zombie in the world of blocks? Is there a course somewhere in the woods that can teach me how to zombie? I don't think so. Although, I am a fast learner as I already understand a couple of words in zombie. I think I can understand Skeletons as well. I would prefer to be a simple villager and working in the garden, which again reminds me how hungry I am, but there is no coming back as I am a ZOMBIE villager now.

Luckily I've made a new friend, Chopper, and he's been a zombie for his entire life so there are lots of things I can learn from him, including what a zombie community is. Hopefully, I will learn how to be a proper zombie!
