Let It Bleed (Lucy Collins Series) (Volume 2) Francis Yamoah

A BLOOD THIRSTY KILLER HAS TAKEN HIS FIRST VICTIM AND HE'S GOING TO KILL AGAIN.

On what becomes her last day as a uniformed police officer, Lucy Collins discovers the body of a woman at a construction site while on patrol.

THE INVESTIGATION TEAM IS FAST RUNNING OUT OF LEADS AND TIME.

The next day Lucy gets the news she'd been waiting for. She's been promoted to Detective and she joins the CID team investigating the murder of the woman whose body she'd discovered. But every hopeful lead comes to a dead-end with no new ones on the horizon.

AND THE KILLER'S NEXT TARGET IS ONE OF THE INVESTIGATION TEAM.

What people are saying about Let it Bleed

"I loved this book. Like the best crime novels it engaged me from the very beginning til the end. The main character is strong and inspiring and it's well-plotted. But what most impresses me about this book how it subtly manages to be about violence/crimes against women without becoming preachy about it. It brilliantly and tastefully highlights some of the potential long-term consequences of these crimes against women and in turn drawing a much needed attention to the important issue of violence against women. It's a fantastic read and i highly recommend it." - Ruby Watson's review - Goodreads

"I haven't read a lot of crime novel but if they're remotely like this one, i'll be reading a lot more of it. brilliant writing, utterly enjoyable." - Michael Chandler's review - Goodreads

"I immensely enjoyed reading this book which for the most part is about crimes against women. For the first half of the book we follow Detective Constable Lucy Collins who gets promoted to join the CID unit investigating the murder of a woman whose body she found while on patrol as a uniformed officer. The book then takes you inside the mind of the killer for the second half with clear and impressive psychological detail. The prose is engaging, the pacing is excellent, the characters are vivid and it highlights the potential consequences of violence against women and the cycle of violence it could create with a somewhat extreme example. It has a strong female lead character which I love and it's intricately plotted. This book rivals the very best crime fiction out there. Highly recommended." - James Roderick's review - Goodreads

"An impressive psychological journey into a killer's mind. suspenseful and thrilling. highly recommended" - Joshua Addams's review - Goodreads
