Beginning with Toy Story in 1995, Pixar Animation Studios has taken American cinema by storm, setting a new standard of excellence in animated filmmaking and earning a fortune in the process. Their movies are both highly entertaining and surprisingly wise, displaying an all-too-rare gift for telling stories which speak about the reality of life and the complexities of the human heart - and making us laugh while doing so. The Gospel According to Pixar looks at how each Pixar film portrays the basic concerns of everyday life and seeks to connect them with a Christian understanding of the world. It touches on themes such as love, identity, fear, freedom, guilt, purpose, and belonging - to name just a few. The Gospel According to Pixar explores these common concerns in hopes of communicating the Gospel in a fresh, persuasive and, above all, fun way. For use with families, churches, and individuals as a teaching series, study guide, or simply as a commentary on these remarkable movies.
