The Hellfire Riders, Volumes 4-6: Jack & Lily: Betting It All, Risking It All, Burning It All (The Motorcycle Clubs Box-Set Book 2) Kati Wilde

Collecting the explosive second trilogy in the Hellfire Riders series, this box set contains the complete story of the only female member of the Hellfire Riders MC, and the dangerous warlord who risks everything for one night in her arms...

Betting It All

As the only female member of the Hellfire Riders, I've fought for everything I have. But now I'm going to lose it all...

One stupid bet made years ago is going to ruin me. I'd forgotten all about it — but the Riders' warlord hasn't. Now the club's most dangerous member is determined to collect his winnings: a night in my bed.

But it's not me that Jack Hayden wants. He's been trying to get rid of me since I patched in. He thinks I'm weak. He thinks I'm vulnerable. The only possible reason he's following through on this bet is to try and tear me down in front of our brothers. So I won't let him get to me, no matter how much pleasure he gives. I'll never crave his touch...

Risking It All

A month ago, I risked everything with a bet that should have made Jack Hayden mine. But now I think I've truly lost...

All my life, I've fought for everything I want. That's earned me a place as the only female member of the Hellfire Riders MC. It's given me thirty nights with the Riders' dangerous warlord. It's given me hope for so much more.

Yet when Jack abandons my bed before the thirty nights are up, the pain of fighting for more time in Jack's arms just isn't worth the risk anymore. Because I can't expose any vulnerability, especially now that the Devil's Hangmen are making a play for Rider territory—and Jack can lay my heart wide open so easily...

Burning It All

As the Hellfire Riders' warlord, I'm willing to lay down my life to protect the club. But protecting the woman I love might destroy everything...

I've never known anything as good as holding Lily Burns in my arms. The only female member of the Hellfire Riders, she's always fighting—and the last fight she won is bringing hell down on her head. But it's not the Devil's Hangmen that worry me. Because there's power and money moving behind the scenes, and a target on Lily's back...and I'll do anything to make sure she's safe, even if it means standing as her shield.

Even if it means losing her.
