A new D&D adventure for lower-level characters!

This low-level D&D adventure showcases a new format for combat encounters, designed to speed gameplay and make encounter preparation easier for the Dungeon Master. A companion title to *Scourge of the Howling Horde*, this adventure pits players against an ever-evolving dungeon filled with creatures of chaos. It includes enough adventure material for the Dungeon Master to easily expand or streamline the campaign and provides information on how this adventure links with the previous adventure.

David Noonan is a roleplaying game designer at Wizards of the Coast. His previous design credits include *Heroes of Battle* and *Dungeon Master's Guide II*.
