Originally offered in two separate volumes, *A Dictionary of Iraqi Arabic*, a staple of Georgetown University Press's world-renowned Arabic language program, now handily provides both the English to Arabic and Arabic to English texts in one volume. Designed for an English speaker learning Arabic, this is a key reference for anyone learning the colloquial speech of Iraq as spoken by educated people in Baghdad. Using romanized transliteration and transcription rather than the Arabic alphabet, it is further enhanced in most cases by having sentences to illustrate how individual word entries are used in context, reinforcing the user's acquisition of colloquial Iraqi.
