Georgette Stephens can't forget the sexy stranger she stumbled on during a mountain hike. Shaken to the core by his mesmerizing gaze, she escaped without learning his name. When he shows up at the company where she works, she is forced to admit the deep and decidedly unprofessional connection she feels toward him. But she's been hurt before by trusting too easily.

Bancroft "Bear" Bruin, the chief of the Northern California bear shifters, is jubilant that his mate has finally walked into his life. He didn't expect her to be human, but he won't let that stand in his way. She's his mate, and he will have her — no matter how hard he has to work to gain her trust.

Now includes the bonus short story, *Going Bear!*

A steamy standalone BBW romance for readers 18+, *Furever Mine* contains explicit love scenes and graphic language. #1 in the Furever Shifters series. 23,000 words, or about 80 pages.
