What makes a disciple maker? How does one get started making disciples? Life-on-life discipleship is an intense life-transforming opportunity to join God as He is at work in life of another disciple. This process usually takes place in a one-on-one setting over a long period of time. It requires being deeply engaged, and dedicated to the spiritual development, guidance, and transformation of the person you are investing in. The Harpers offer several key principles that are invaluable for anyone who is interested in life-on-life discipleship.
