National Security Law Documents

A unique volume of documents, this book is a companion volume to the casebook National Security Law. It brings together a wealth of documents ranging from President George Washington's Farewell Address and George Kennan's Long Telegram to important international conventions, domestic laws, executive orders, and departmental regulations on such matters as FBI counter-terrorism investigations and State Department treaty procedures. It is designed to serve as a standard desk reference for both scholars and practitioners interested in these issues.
