The Hand of the Viking Warrior

North America, 1009. The conquering Vikings are delighted to reach North America. The land is green and fertile - it's the perfect place to establish a new home. But first they must learn to get on with the natives.

The Sword of the Viking King

Wessex, Southern England, 878. Fortunes are not on the side of the English and the Vikings will soon control all the land. Even young Ethelbert believes he could do a better job than King Alfred. Little does he know that soon he will be called on to prove it.

The Battle of the Viking Woman

Whitby, Northern England, 867. Edwin and Luke are young boys training to be monks. It's a quiet life until one day the Vikings invade. The boys are terrified of the fearsome Danes, whose gods are even more terrifying warriors than they are. What will happen if the boys are caught?

The Eye of the Viking God

Norway, 793 AD. Fleece was snatched by Viking warriors when she was a young girl. Now she must work for a bullying farmer and his family, looking after their sheep. She longs to return to the country where she was born, but how will she ever make that journey back across the sea?
