Tricking the Frat Boy: Revenge of the Nerd Hudson Haywood

After being tricked by two hot Italian women into having a hot, gay sexual encounter with each other, frat boys Derek and Henry find themselves in a precarious situation when they discover that their sexual encounter was caught on video.

Eighteen-year-old Owen Fisher was a scrawny, nerdy, anti-social boy who spent his high school years being mercilessly bullied by Derek, who was the most popular kid at school. Now a college freshmen, Owen was now the athletic jock, and no longer the awkward nerd that can be pushed around.

When the video of Derek and Henry's sexual encounter falls into Owen's hands, Owen decides to extract some long due revenge on the frat boys by blackmailing the two older frat boys into doing some very hot and sexy things to each other for his viewing pleasure.

Derek and Henry must decide if they should call Owen's bluff – or if they should submit to his demands of doing some very gay, very hot, and very sexual things to each other – to satisfy Owen.

Note: This story contains very graphic depictions of adult gay sexual situations, and is for adults only! This book is part 2 of the "Tricking the Frat Boy" series, and is continued from "Tricking the Frat Boy (M/M Gay First Time)," also available on Amazon.com.
